*“Pocket OMT represents almost 46 years of OMT expertise and over 40 years of software development experience. You simply won’t find a better OMT resource for the clinic or classroom.”*

*Phillip A.K. Hash, PhD, OMS-IV  
President and CEO  
PocketScience LLC*

*“This software is truly a major leap forward in Osteopathic education. Now students, residents, and practioners alike have access to a comprehensive OMT reference without stuffing their whitecoat with yet another book.”*

*Edward G. Stiles, DO*
